Tonacco memorials.

Some fifty additional memorials were received to-day by the Ways and Means Committee asking for an extension of the time for the payment of the tax on tobacco on hand. The demand has been so universal for this extension that the committee decided at once to report a bill extending the time from January list to February 15th, which the House passed during the day.

takes its color as the daylight is, its temperature from the season. It must not wear a sad countenance when the sun shines glad shout it, nor a merry face when the air la full of gloom; nor a greatcoat in summer, nor go in its shirt-sleeves in winter. It is a currency; and its opinions are made up, from day to day, as the opinions of private men are made up, from current impressions, which often fluctuate. But underlying currency—overriding the season—are certain general laws, which are seldom forgotten and which never change. Though

forgotten and which never change. Though the earth be covered with lee and snow, we are sure the land-marks are still there,

Thos. J. Price, Sr., aged 71 years, com

appear every day in the columns of the COURIER-JOURNAL, cost more than the en nificant and suggestive comment upon the immense revolution which the business of newspaper publication has sustained. Bu it is neither so great nor so suggestive no so significant as the change which has come over the theory and practice of jour nalism as a profession and as a science. Elderly people, and particularly middle

a public vehicle and not as a private con veyance; as a thing too large for corrup practices and personal jobs and favors.

It is absurd to suppose that any new spa-per can thrive upon corruption. If—to make a direct illustration—the Radicals, seeking an organ in Louisville, should raise a sum of one hundred or two hundred thousand dollars to subsidize, or pur-chase the COURIER-JOURNAL, hoping thereby not only to get an organ but an in-fluential press, they would find their calcu-lations deceived. Nor would we be less mistaken than culpable--taking a purely politic and not a sentimental view of the NAL, aside from its commercial vigor and

usefulness, lies in its uncorrupted and in dependent discussion of current events Unpalatable as its liberality to political op Unpaintable as its liberality to political op-popents may sometimes, be to its own party supporters, that is also an element of strength; because it strikes at a full expres-sion and development of truth between the two opposing lines of fire.

A one-sided view of public questions is

never just or powerful. One-sided think-ers are generally considered to be of ques-tionable value. The ablest party leaders are those who take the most generous view of affairs. By their tolerance they persuade and convince; for, as there is good and evil in all parties, it is the aggregate, and not the details, from which we ought to draw that final conclusion on which we are whost establishing a paper in ver. ation free.

The efficiency of carrier pigeons as mes-engers between ships at sea and ports on land is just now attracting attention in masizes portraits, in water or oil colors. Card photo only \$2 per dozen, by J. C. Elrod, at his old ga rine circles, and, though we are very far removed from the ocean and oceanic questions, the idea is curious and novel, and cannot be without its interest to our readers.

Carriers can and do often attain a speed of one hundred and twenty miles an hour. Sir John Ross dispatched a pair of young pigeons on the 6th or 7th of October, 1850, from Assistance Bay, a little to the west of Wellington Sound, and on the 18th of October a pigeon made its appearance at the

tober a pigeon made its appearance at the dove-cote in Ayrshire, Scotland, whence dove-cote in Ayrshire, Scotland, whence Sir John had taken them. The distance between the two places is about 2,000 miles. This provoked some talk of train-

and almost sure communication with the shore. By this means the off-shore squadron or cruker could give timely notice of the approach of an enemy, or send for re-inforcements or aid in one hundredth part of the time it would take if the vessel herself were obliged to go in.

Carrier pigeons might be a great auxiliary to our passenger steamers, and, in the event of an accident, how readily the news might be sent, and the location pointed out, so that succor could be sent quickly,

Though the sky is overcast and murky, we know the solar system, with its certain red.

Though the sky is overcast and murky, we know the solar system, with its certain red.

Though the sky is overcast and murky, we millions that the Government has hitherto been extracting from the pieces lays the heavy burden terribly and more terribly upon its bowed shoulders. How long will the country consent to endure the incubus? How long before the reduce the incubus? How long before the reduce the incubus? How long before the reduce the incubus? How long before it must come?

The Democratic party has a long fight that are probable, things that are probable, things that under certain reasons fair, equitable and satisfactor, by C. Bagan, Ag't, No. II the Third street, ment the expenditures for the next fiscal year for to wcceed by many millions all the millions that the Government has hitherto been extracting from the pieces and less able to bear, Congular the solutions and regular laws, is moving on the people. Yearly and yearly, as the country loss and evolutions and results should associated by an any millions and reduce the millions that the Government has hitherto been extracting from the pieces and less able to bear, Congular the millions that the Government has hitherto been extracting from the pieces and less able to bear, Congular the millions that the millions that the Government has hitherto bee

The N. Y. gold market opened to-day at 1859, the tendency during the day was to low quota-tions, and at 4 r.M. the market closed at 135. The orierized in the market are confined to small sums, but silver is coming in freely.

Messrs. Morton, Galt & Co., bankers, No. 150 Main street, quote as follows:

The 10:25 dispatch to the Commercial News De-

An investigating committee, consisting of promi-nent and experienced steamhout engineers, have held an inquiry season, we learn. for the purpose of ascer-was to hlame. Their report, which will, doubtless, he multiplied the property of the propose of ascer-was to hlame. Their report, which will, doubtless, he multiplied to the propose of the property of the was plenty of water in the blown-up boiler, and, in point of fact, nobody was to blame. It superas that thirty or forty pounds the heaviest—and a friend at the property of the property of the property of the pro-tour elbow tights there must be a mistake in the ends

impulity under the very eye, and in seeming impulity under the very eye, and in seeming approbation of our courts. Transactions which are the properties of Monetary and Commercial. OFFICE OF THE LOUISVILLE COURIER-JOURNAL, WEDNESDAY EVENING, Dec. 18, 1888

let him be placed beyond the pale of recogni-tion. financiers and speculators feel and know-Later and the properties of the properties of the bulke opprotune and social disgrace, and we shall hear of no more inframous rascalities by stock rings. Let the young men on 'Change per-ceive that old scoundrels among them are no lon-ger respected, courted or received on a social footing by honest sepile, and they will cease to pattern after them and eadewor to follow in their

pens.

The Cincinnati Price Current of to-day says:
Hogs and the product have been greatly oxclued, and under a speculative demand prices advanced decidedly. A "short crop" belief has
evanced decidedly. A "short crop" belief has
called and under a speculative demand prices advanced decidedly. A "short crop" belief has
called cause of this demand. Drovers represent
that the great bulk of the hogs are in, and if this
is the case there cannot be over one-half of hist
season's crop, which seems absurd. We have,
that pork packers have been exceedingly anxious
to get pork the past week—to secure it at as low
a rate as possible, it is true, but at the same time
taking care to get it, making the price somewhat
over the past week—to secure it at as low
a rate as possible, it is true, but at the same time
taking care to get it, making the price somewhat
money market seemed to have no influence whatever, for it was clear that there was no scarcity of
money mong the provision men.

Henry Milward & Co., of Chicago, in their circular of Saturday say:
Speculative theories as to the future of the provision trade are of but little value at the present
moment. The mission operators are wayset toliable information can be obtained. Parties from
one district will assure you that their country has
been completely gleaned, and the crop exhausted,
while others from the very same neighborhood
house. One fact, however, is undentable, viza:
That we are now working on short crop prices,
and that, while we cannot anticipate much of an
advance, we have a wide margin for possible
this investment of process, and the drovers
cannot depend on the maintenance of present
quotations. The shippers also are drawing out of
the ring of purchasers, and the consequence has
a deciline in the market. to \$6.

BUTTER-There is a good demand for country butter, and prices are steady. Western Reserve and Michigan butter is in fair supply and steady. We quote country butter at 30 to 35c; Western Reserve and Michigan tub at 38 to 45c; New York at 45 to 59c. BAGGING AND ROPE—There is very little do-ing in this department of trade. The season for active transactions. BAGGING AND BOPE—There is very little doing in this department of trade. The season for netive transactions having closed stocks are reduced and sales are of light magnitude. We quote Kentucky 2-pound bagging at 10% to 21% of 10% of

BEESWA-- is in moderate request and steady at 33:to 35: in lots on arrival. COTTON YARNS—There is a seasonable de-mand for yarns and prices are fully maintained and stocks are ample. We quote No. 500 at 19 to 21c, 600 at 17 to 19c, 700 at 15 to 17c. Some noces are apple of the form of the fo

CANDLES—Stocks are ample and are accumulating on the hands of manufacturers. Prices are steady and a fair jobbing demand is reported. We quote star candles, fair weight, at 21/4a2/5/c, 18-oz at 18a18c; 18-oz at 10/4a1/5/c. Tailow candles 14 to 18c. CARPET CHAIN—We quote at 45 to 50c for white, and 50 to 55c for colored. CANDLE WICK-We quote the market steady at 45 to 47c. at 45 to 47c.

COFFEE—Is in ample supply and in fair demand,
and prices are steady. We quote common to
strictly choice at 19 to 25%;c: Lacuayra 25% to
27c: Java 36 to 38c; Singapore 36 to 38c; and imitation Java at 30 to 31c. ORANBERRIES—We quote cultivated at \$25 to 27 per bbl; wild at \$22 to 25 per bbl.

37 per bbl; wild at \$22 to 25 per bbl.

DRIED FRUIT—Recepts continue liberal, and
prices are about the same as have ruled during
the past sit weeks, and our quotations fairly represent the market. A strictly choice article and
figures. We quote apples, on arrival, from
6% to 1%c, according to qualitity. Peaches are
steady at 8 to 8%c for quarters, 11 to 18°. FOREIGN FRUITS—Are in fair demand, and prices are stendy. Oranges have an upward tendency. We quote layer raisins at \$4\$ 64 62 per box. Figs—old like, new 25c per lb. Zante currants 146346. Cranges \$1256 kpc per lb. Lemons \$4565 0 per box.

FLAX RED—Deniers are paying \$2 per bushel for prime on arrival.

FATHER WHED—Deniers are paying \$2 per bushel for prime on arrival.

FATHER WHED—Deniers are paying \$2 per bushel for prime of arrival.

FATHER WHED—Deniers are paying \$2 per bushel for prime of a per bushel

To 65°. Inferior and mixed feathers duil and nominal.

FLOUR—The market is steady and dealers report a fair local demand. We note sales of 975 bils. The port a fair local demand. We note sales of 975 bils. The port a fair local demand. The market to-day fully maintained the freness that has distinguished it for some time past, with more liberal offerings. The new crop is arriving more freely, but the bulk of receips have been of inferior quality, although some very destrable samples have been offered, which brought attifactory and remunerative prices. We consider the property of the property of

7 25 to \$7 65, 7 at \$6 to \$6 65, 8 at \$5 05 to \$5 80, at \$4 05 to \$4 60. Louisville Cotton Market.
